11-12-97

I studied this case with Mr Narasimha Iyer. Mostly crops were somewhat failed & I am assured that the paddy crop also failed entirely except a little sugar cane here & there which depended also on wells - Some little Bengal gram & cumbu were also - Under these circs & having regard to the fact that this had suffered in the previous years also there can be no hesitation in giving this benefit of Govt under Standing Remission - The Dy Coms recommendation is under the circs sanctioned

SC 201

D. No. 104/cu:1

Deputy Commissioner's Office
Bangalore 17th July 1897.

From,

The Deputy Commissioner
Bangalore District.

To,

The Secretary
to the Government of Mysore
General and Revenue Departments,
Bangalore.

Sir,

I have the honor to state that in the Northern and Western portions of the Doddballapur Taluk, there was a total failure of dry crops last year. Wet crops also suffered for insufficient supply of water in the tanks in the localities referred to. The Deputy Commissioner Mr. V. N. Narasimmiya=gar during his tour of his inspection noticed that the crops thereunder

were actually burnt up and has left on record his opinion that the case of the ryots holding lands under the tanks referred to is deserving of consideration and that it is expedient to grant ½ remission of assessment on wet lands lying fallow.

Copy of the 1st General Assistant Commissioner's No. 12 dated 7th Instant together with the remarks of Mr. V. N. Narasimmiyengar thereon herewith submitted for orders.

I have the honor to be,
Sir,
Your most obedient Servant,
K. Ramu
Sub Dm officer,
In Dt. Charge,
for Deputy Commissioner

15th General Assistant
Commissioner's office
Bangalore Dated 16th
July 1897.

To,

The Deputy Commissioner
Bangalore District.

Sir,

I have the honour to report for your information that during my tour of inspection of the Woodballapore Taluk last year, I have observed that in the North Eastern and Western portions of the Taluk there was owing to the withholding of the rains at the time when the crops were ripening a total failure of dry crops. Though there was a fair last draught, I noticed that sufficient yield of straw for fodder. The wet crops also suffered in the same way from an insufficient supply of water in the tanks.

Part of Hosakalli Hobli Kal. Kunte Wel. of Tiffpur Honnavar Todikalli hobli except headarc Amani Kere.

Rev. Department

I agree. These tanks suffered in last drought.

there were actually found

Remission of assessment may be recommended under order of Government.

2. When in November last,

Initialled V.N.N.
8/7/97.

By Commr.

You toured through the Taluk you have yourself observed the condition of the crops and when subsequently I travelled over the same country, I did not notice any improvement in their state.

The case of the ryots who have suffered in a hard one and deserving of some consideration at the hands of the Government. I therefore beg leave to submit that you may be pleased to recommend the case of these ryots to Government and obtain a remission of entirety of assessment on wet lands lying fallow as per Government order dated 2nd April 1897 Camp No 65 D.

Pending the orders of Government, I have directed the Amildar to obtain from adoptive

I beg to urge measures with regard to the collection of the said money of assessments.

I have &c.

D. No. 614.
Rec. No. 4 Nov 97

To,
The Secretary to the Government
of Mysore,
Genl & Rev Departments.

Sir,

With reference to your docket No. 1342 R-437 dated the 30th July 1897, calling for further information abnt the parts of the Doddballapur Taluk affected by want of rain during the last year (1896-97), I beg to state that it has been reported by the 1st Assistant Commissioner that dry crops failed in parts of the Kodihally, Hulkunte, Honnavara, Hosahally and Tippur Hobles and the wet crops in the Hulkunte, Honnavara and Tippur Hobles. Remission of wet assessment is proposed only in the cases wherein the crops failed entirely, or where the lands lay fallow.

The enclosed 3 statements marked A. B and C. shew these wet lands and they are what are exhibited in columns 8 and 9. The full assessment thereon is Rs 65-9 and the moiety proposed to be remitted is Rs 32-9-½. The statement marked D shews the villages in which the dry crops failed but no remission is proposed therein and full assessment has been collected.

I have the honor to be,
Sir,
Your most Obedient Servant.

W. H. Scott
Dy Commissioner
